

Insurance

Orthodontic coverage – which will reduce your out of pocket costs – is great, but can be confusing! Unlike general dental coverage, if your insurance offers orthodontic benefits, most will have a “lifetime orthodontic benefit.” Let Chamberlain Orthodontics guide you through the process to determine your coverage.

Not sure if we accept your insurance? Chamberlain Orthodontics are Preferred Providers for most dental plans, including:

Aetna PPO	Delta Dental DPO	Guardian	Retail Clerk's
Cigna PPO	Delta Dental PPO	MetLife PDP	Union Insurance
CCPOA	Delta Dental Premier	Principal	United Concordia PPO

Don't see your insurance company listed above? Give us a call and a member of our well-trained staff will contact your provider for you and clarify your coverage.

Please take a moment to complete the Insurance Information Section of our NEW PATIENT REGISTRATION form [\[link\]](#) allowing us to better analyze your benefits. For your convenience, it would be our pleasure to handle billing and claims directly with your insurance company on your behalf. It is important to keep us updated should your job or insurance provider change; new employer = new orthodontic coverage = new claim submission. We will gladly submit your claim to your new insurance carrier and keep your benefits on track. In the event of loss or change of coverage, please note that the **financially responsible party** is accountable for any unpaid balance.

Other Payment Options

If you do not have insurance coverage for your orthodontic care, we offer flexible payment options. You know your budget; let Chamberlain Orthodontics work with you to create a personal plan that meets your financial situation. Our payment plans are financed in-house with a 0% finance charge, no interest, no fees or early payment penalties. For your convenience, we accept both Visa and MasterCard.
